

Registered Agent Notice of Service

Dear Customer,

As part of your customized company formation package from LegalZoom, you have selected us to serve as your registered agent. United States Corporation Agents is a wholly owned subsidiary of LegalZoom.com and will be the entity that will act as your Registered Agent.

State statutes require that you designate and maintain a registered agent at all times. United States Corporation Agents will act as the representative for accepting Service of Process on behalf of your company. In addition, we will also forward all documents that arrive from the Secretary of State, State Agencies, Federal Agencies or the IRS.

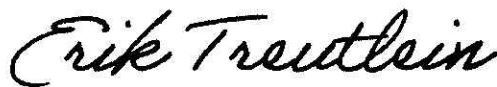

Important Note: If your address changes, it is critically important that you notify us of the change to ensure that you receive all official state notices and Service of Process. To notify us of an address change, simply call us at (866) 698-0052, Mon-Fri: 5 a.m.-8 p.m. PT, Sat-Sun: 7 a.m.-4 p.m. PT.

Your annual registered agent fee is due on the anniversary date of your company formation and will be invoiced directly by LegalZoom.
