

Epic Hypothesis Statement	
Funnel Entry Date:	February 1, 2024
Epic Name:	Professional Networking v1
Epic Owner:	Professional Networking Service Leader
Epic Description:	For enterprising leaders involved or interested in the Tech Services industry who want to improve their career opportunities and the Tech Services industry's impact the AccelRR8 Consortium Non-Profit's Professional Networking Service is an AI-powered support function connecting a global AccelRR8 professional network that helps leaders to network and practice growing value exponentially at scale together, to accelerate success for themselves, their industry, and all humanity. unlike other associations that support professional networks, our solution's own success will be a key proof point of our Consortium's core premise: due to network effects, value for all subscribers grows exponentially as their numbers grow linearly.
Business Outcomes:	• Subscribers: improve their professional network, skills, brand, and career opportunities • Tech Services industry: cross-company learning among leaders with scarce talents • AccelRR8 Consortium: exponential benefits via Market Network Effects (per nfx.com)
Leading Indicators:	1000 subscribers in the AccelRR8 professional network who are net promoters of this service
Nonfunctional Requirements (NFRs):	• Desirability: all want exponential success, few know how to generate it, and stakeholders like our values and culture • Viability: the Consortium has the required capabilities and isn't trying to boil the ocean • Sustainability: the core premise (proven accelerators mathematically capable of exponential results) is enduring • Performance: the Service's own success will be a key proof of our core premise, creating a virtuous cycle • Usability: becoming and remaining a subscriber must be incredibly easy
